### संवादकीय

आय.सी.आय.एस.बुलेटिनचा ऑक्टोबर, नोव्हेंबर २०१२ चा जोड अंक दियावली विशेष म्हणून सादर करतांना विशेष आनंद होत आहे.

गर्वाळ देन महिन्यात ई प्रशासन (e-gov) व आय.सी.आय.एस. ची जागरूकता वाढविण्यासाठी विविध प्रशिक्षण सत्रांचे आयोजन नागपूर व औरंगाबाद येथे आयोजित करण्यात आले होते. त्याचप्रमाणे जलसंपदा विभागातील वरिष्ठ पदावर काम करणाऱ्या अधिकाऱ्यांसाठी देन दिवसांचे विशेष प्रशिक्षण पुणे येथे आयोजित करण्यात आले होते. त्यासाठी स्तुपच चांगला प्रतिसाद मिळाला. या माध्यमातून मोठ्याप्रमाणात जागरूकता निर्माण करण्याच्या आमच्या प्रयत्नांना यश लाभले आहे.

आय.सी.आय.एस.प्रकल्प हा जलसंपदा विभागातील प्रत्येक अधिकारी व कर्मचाऱ्यांचा असून कोयना संकल्पचित्र मंडळ हे फक्त तुमच्यापर्यंत हा प्रकल्प पोहचविण्याचे माध्यम आहे. त्यामुळे आपण सर्वांनी या प्रकल्पाकडे सकारात्मक भूमिकेतून बघणे जितांत गरजेचे आहे.

विशेष समाधानाची बाब म्हणजे मा.पु.बा.पाटील, प्रधान सचिव, जलसंपदा यांनी ई प्रशासन प्रकल्प व्यवस्थापन कार्यालय, पुणे या कार्यालयास दिनांक ११.१०.२०१२ रोजी भेट दिली

सध्या पध्ददर्शी प्रकल्पांची माहिती भरण्याचे काम त्या त्या विभागांकडून सुरु आहे. या कामात अधिक गती देणे आवश्यक आहे.

मोड्युल्स वापरण्यासाठीचे प्रशिक्षण सत्र पुणे, नागपूर व अमरावती येथे घेण्यात आले असून माहिती भरण्यासाठी या प्रशिक्षणाचा स्तुप उपयोग होणार आहे. त्याचप्रमाणे ई प्रशासनाचे प्रशिक्षण घेतलेल्या अधिकाऱ्यांनी पुढाकार घेऊन त्यांच्या कार्यक्षेत्रात आय.सी.आय.एस.च्या कार्यशाळा, प्रशिक्षण इ. घेण्याचे आवाहन करण्यात येत आहे. याबाबत एक दिवसीय कार्यशाळेचे आयोजन पुणे येथे करण्यात येत आहे.

मार्च २०११ पर्यंत सर्व मोड्युल्स वापराचे प्रशिक्षण देऊन ते उपयोगात आणण्याचे उद्दिष्ट असून यासाठी तुम्हा सर्वांचे सक्रीय सहकार्य लाभेल, असा मला विश्वास आहे.

दिवालीला हार्दिक शुभेच्छा

### e-governance Life Cycle

P. R. Bhamare, Executive Director, TIDC

I am indeed happy to participate in e Gov training program organized by KDC Pune in association with NISG, Hyderabad during 5 & 6 October-2012 at Pune. The training was arranged for capacity building and sensitization of the senior level officers of WRD ED, CE, & SE in presence of Principal Secretary, WRD. It was right move at right time. It will be useful for driving project from top. The ICIS has now become e Gov Project of WRD and it is everybody's responsibility to provide all kind of support for its success.

The training was useful to understand what is e Gov, why it is required and what is national level status of various e Gov. projects. It was well planned and organized. It also highlighted the concept of Govt process reengineering (GPR) and importance of change management in successful implementation of ICIS project along with overview of ICIS. It is learnt that KDC has also organized four days specialized training on E Gov Life Cycle (e-GLC) for field officers across state at Nagpur, Aurangabad and Pune. This has helped to a great extent to create e Champions for the project. I wish KDC and PMO team a grand success for early Go Live of the project.

Hon'ble Mr.E.B.Patil, Prin.Secretary's visit to PMO Office

## Wonderful experience of S1 training

*Dr. Sanjay Belsare, Superintending Engineer*

As a part of capacity building programme and sensitization of ICIS, I got an opportunity to attend a wonderful training programme. The trainers were none other than Mr.Piyush Gupta and Wg.Cdr Srinivas.

They shared national level experience of e-Gov. projects. The mantra understood was If not implemented properly and lack of support from top level management may lead to major threats to project.

The terms such as change management, Business Process Re-engineering (BPR), we heard earlier but we are now going to apply within the department. I feel that adequate training to users/officers is vital in the process of implementation. META, RTC, WALMI can play important role in this process. They will have to be equipped for conducting hands on training on computers.

The presence of forty very senior level officer's for two days itself shows the importance of topic. We all will make every effort for successful implementation of this most ambitious project. I wish PMO, KDC best wishes for the project.

S1 training inauguration - 5 Oct.2012

S1 training - 6 Oct.2012

## My Interactions with officers of WRD, Government of Maharashtra

*Wg Cdr A K Srinivas (Retd) PMS, ICIS project*

The journey of e Governance in the WRD dept has begun. As I perceive "it will grow from strength to strength". This is what I could deduce after meeting hundreds of officers of the department and having conducted four eGov trainings and also delivering a few lectures here and there for the officers of the department at various forums. This is a good sign.

It was the first time the officers of WRD have encountered many new terms like e Governance; e Government; GPR; Change Management; Project Management office and about National E Governance plan of the country. Obviously, the curiosity levels were definitely high and everyone being engineers would like to know what, why and how of these terms and concepts.

The enthusiasm that was noticed during the trainings was tremendous and this is what going to make the ICIS project a very successful one. Yes "I want to contribute to the project if and when an opportunity is provided in what ever capacity that may be " was the underlining determination every officer was carrying with him. This is something that I haven't noticed so far in about almost 2 years of my facilitating the eGov trainings to many officers of different States and UT's of the country.

I was wondering as to what is it that is different here that Mr. Piyush and I did (co- faculty) that led to this strong motivation levels? All our facilitations on the eGov subject were similar everywhere and the case studies, examples and illustrations are more or less the same, the way we carry out doing things during the trainings are also similar. Then what made the difference? Perhaps, the reasons could be that the training was specifically meant for one single department and all the participants were from similar background and their understanding of the working of dept is similar. This helps a lot as the case studies or examples can be related to similar working can gel with their understanding. Secondly when an exercise of building the teams was carried out to make them understand how each member of the group needs to deal with other types of personalities it was noticed that the many of the participants were found to be achievers and very few analyzers and visionaries. So one can understand how the organisation structure is and it's functioning. Secondly all were engineers and technology is something ingrained into them as they all are from core branches so understanding the logic behind the technology led eGov reforms was comfortable. In fact they were of the view that so much was happening across the country and else where and hardly anyone in the dept knew about them. Thirdly the dedication with which the officers participated in all the group activities and strategy discussions are also worth mentioning here, they were too involved in knowing and attempting things. Fourthly the post training impact is very evident the way they formed groups to interact and share their learning's.

As a member of PMO I am very much delighted to meet such officers and would continue to work along with them in sharing my knowledge and helping them overcome their problems with work process and lead the ICIS project to make it G2C and G2B friendly in the next two years.

## ई-गव्हर्नन्स लाईफ सायकल प्रशिक्षण, औरंगाबाद

मधुसुदन डोड्या, सहा.अभियंता श्रेणी-२, नांदेड

दिनांक ९ ऑक्टोबर ते १२ ऑक्टोबर दरम्यान औरंगाबाद येथे ई-गव्हर्नन्सच्या प्रशिक्षणासाठी उपस्थित राहतांना मनात थोडी अधिरता, उत्सुकता व किंचित भीती होती. एक तर विषय नवीन व प्रशिक्षण नावाजलेले. प्रत्यक्ष प्रशिक्षणास सुरुवात झाली आणि पीएमओ कार्यालयातील कार्यकारी अभियंता श्री.शरद दाभाडकर यांनी प्रास्ताविकात प्रशिक्षणाबाबतची रुपरेषा सांगितली व त्यामुळे प्रशिक्षणाबाबतची भीती दूर होऊन प्रशिक्षणाचा आवाका लक्षात आला. नंतरचे चार दिवस मंतरलेले होते. श्रीयुत पीयूष गुप्ता व श्रीयुत श्रीनिवासन यांनी चक्र मन व मस्तक या दोघांचाही ताबा घेतला, e-Governance is not about translation but its all about transformation हे त्यांचे वाक्य परततांनाही कानात रुंजी घालत होते.

e-Governance, change management आणि Re-Engineering ह्या त्रीसुत्रीने हे सारं बदलता येईल. एक अधिक गतिमान, अधिक चांगली आणि अधिक पारदर्शी अशा कामकाजाच्या पद्धतीचा अवलंब ही काळाची गरज आहे. त्यामुळे या प्रकल्पाची पूर्ण सामर्थ्यानिशी पाठराखण केल्याने लोकांना अधिक चांगली गुणवत्तापूर्ण व गतिमान सेवा मिळेल. शासकीय कार्यालयातील सध्याचे फाईल ओरिएंटेड स्वरूप बदलून ते कस्टमर ओरिएंटेड होईल. नागरिकांना हा बदल हितावह व सुखावह असणार आहे. त्यामुळे कर्मचाऱ्यांची कार्यक्षमता वाढेल. प्रशासन कार्याभिमुख असल्याने काम करणाऱ्याला प्रोत्साहन असणारच. आय.सी.आय.एस.प्रकल्प निश्चितच यशस्वीपणे कार्यान्वित होईल. तो सोनियाचा दिवस दूर नव्हे.

e-GLC 3 training at Aurangabad

ICIS Application Training at Nagpur

ICIS Application Training at Nagpur

### ICIS News & appeal

- On the eve of Engineers Day (15 Sep.2012) test launching of WRD Portal is done.
- Application software training was arranged at Nagpur from 16/10/12 to 19/10/12. Similar training is being conducted from 31/10/12 to 3/11/12 at Amaravati.
- Excellent work is done by Mr. V. G. Chavan, EE and his team in respect of data digitisation of pilot project in Pune region. His Team has digitised 61 estimates in project database in very short time. Congratulations to the entire team !

### Be an ICIS e-news author.....

We at ICIS e-news letter offer an opportunity to our readers to contribute articles and be a part of a family of ICIS e-news author. In particular, we will appreciate receiving contributions on articles bearing on innovative approach in e-governance, development and use of software in day to day department activities.
